ALFRED HEALTH

First Respondent

ST VINCENT'S HOSPITAL (MELBOURNE) LIMITED (ACN 052 110 755)

Second Respondent

Save for any admissions, the Applicants join issue with the Defence dated 10 March 2022, and otherwise reply as follows:

1. To the allegations in Parts D, E, F and G of the Defence regarding the 'SVH Overtime Protocol' and the 'AH Overtime Protocol', the Applicants say that:
 - (a) clause 36.3(a) of the 2018 Agreement and clause 32.3.1 of the 2013 Agreement provide that the Respondents must have a protocol "whereby overtime that cannot be authorised in advance but has been worked will be paid if it meets appropriate, clearly defined criteria" (**Overtime Protocol**);
 - (b) any such Overtime Protocol can only apply to the circumstances in clause 36.3(a) of the 2018 Agreement and clause 32.3.1 of the 2013 Agreement, namely to overtime "that cannot be authorised in advance";

- (c) where the claims made by the Second Applicant and Group Members in the Statement of Claim are claims for overtime that has been authorised in advance, the Overtime Protocol cannot apply to those claims;
- (d) further and alternatively to paragraph 1(c) above, clause 36.3 of the 2018 Agreement and clause 32.3.1 of the 2013 Agreement do not, on their proper construction, impose any obligation on the Second Applicant or any Group Member;
- (e) further or alternatively to paragraphs 1(b) and 1(c) above, clause 36.3 of the 2018 Agreement and clause 32.3.1 of the 2013 Agreement do not, on their proper construction, exhaustively provide the ways in which unrostered overtime can be authorised by a Health Service including the Respondents;
- (f) to the extent there is any conflict between the terms of the 2013 Agreement and the 2018 Agreement, and the terms of an Overtime Protocol concerning an employee's entitlement to be paid for working authorised hours in excess of rostered hours, the terms of the 2013 Agreement and the 2018 Agreement prevail and the Overtime Protocol is of no effect.

2. To the whole of the allegations in Part G of the Defence (Estoppel by Conduct), the Applicants refer to and repeat paragraph 1 above and say further that:

- (a) as pleaded in the Statement of Claim, each Respondent directed the Second Applicant and Group Members to perform the work pleaded, knew that the Second Applicant and Group Members could not perform that work during rostered hours, knew that the Second Applicant and Group Members worked overtime to perform that work, and did not direct them not to do such overtime, and as a result:
 - (i) neither Respondent can have made the assumptions pleaded in paragraphs 297 and 309 of the Defence;
 - (ii) the conduct of the Second Applicant and Group Members cannot have amounted to representations, as pleaded at paragraphs 299 and 311 of the Defence;

(iii) neither Respondent can have acted in reliance on any such assumption or representation, as pleaded at paragraphs 300 and 312 of the Defence, or in any event any such reliance cannot have been reasonable, as pleaded at paragraphs 301 and 313 of the Defence;

(iv) neither Respondent's failure to take steps as pleaded at paragraphs 300(c) and 302(b), and 312(c) and 314(b) can be explained by any such assumption or representation.

(b) in any event, estoppel is unavailable as a matter of law to defeat a claim of contravention of section 50 of the FW Act.

3. Further, as to the allegations in paragraphs 302 and 314, the Applicants say that each Respondent has had the benefit of the work performed during unrostered overtime by the Second Applicant and Group Members.
